PRESIDENT’S MESSAGE

On behalf of the Orillia & District Agricultural Society, it is my great pleasure to welcome you to the 172nd Orillia Fall Fair. Agriculture is an important part of our heritage and this all comes together at Fair time with an opportunity for you and your family to learn that agriculture is not just about farming, but that it is a sustainable way of life.

Come out and visit us for the very popular demolition derby, tractor pulls, children’s farm olympics, animal shows and many more events and activities. Make sure you take in the agricultural, crafts and home baking displays in the Roller Skating Place. The Fair has something for every member of the family to enjoy.

Thank you to the many volunteers who donate their time to make this very special family community event successful, as well as making sure that all visitors have a great experience during the day.

LIVESTOCK

What is 4-H?

4-H is one of Canada's longest-running youth organizations for young people between the ages of 8 and 21. Since 1913, 4-H has given youth opportunities to learn new things through a dedicated group of volunteer leaders. 4-H youth learn the skills needed to contribute to making this a better world. Many of them go on to become leaders in their communities.

4-H in the Area

The North Simcoe 4-H provides an opportunity for youth to develop skills and knowledge about a variety of topics. Projects range from various animal (beef, dairy, horse and goat) to life skills (cooking, sewing and crafts). The club members also choose their own projects.

For information, please call Kevin Moore 705-487-5505

The Benefits of 4-H

There are so many projects you can choose from. Make new friends. See a world outside your own doors. Locally, 4-H gives back to the community and creates community leaders. Provincially, there are opportunities for conferences, camps and scholarships. Nationally, 4-H members have the opportunity to see different parts of Canada and the world, apply for scholarships and participate in some of the country's longest-running youth conferences.
